

## Quilting- English Paper Piecing with Marie Minaudier

cost \$50.00

- April 22, Saturday - 9:00 to 4:00 - some sewing experience preferred

**Bio:** Marie Minaudier is an award winning quilter and instructor. Last year, she was fortunate to win in two categories at the MAAS - Manitoba Association of Agricultural Societies - summer fairs 2016, for Hand Quilting and for Machine Quilting - Best in Manitoba. She is another of the respected Minaudier family of artists that are familiar to Prairie Canada Championship friends.

### Workshop:

In this workshop, you will learn how to make Flower Garden blocks, as pictured below. English Paper piecing is a method of patchwork that dates back to a kinder, gentler time. Stress-relieving and addictive, once you get the hang of it. Can be done with little equipment, and is a very "portable" project...can be done almost anywhere.

A supply list is available in an accompanying attachment. Bring what you can.

You will also receive this pattern for the Maple Leaf, which would make a wonderful project for Canada's 150th Birthday! The 5" x 5" Maple Leaf is not a "beginner" project, but you will be able to make it after some practice. If you have done some hand-piecing in the past, you will probably be able to make it easily. If you wish to bring some fabric for the Maple Leaf, less than 8" x 12" of each of white and red should be more than enough.

We plan a slow-paced workshop, with lots of instruction, lots of individual help, and lots of time for visiting and sharing.

To join, please fill out and mail the registration form on the next page, and mail it to the address indicated.
