

## PRAIRIE CANADA CARVERS' ASSOCIATION

### **Thank You from the Board of Prairie Canada Carvers**

Thanks to all involved at this past weekend's Prairie Canada Carvers' Association Show & Competition. It was a wonderful show that could not have happened without spectacular volunteer contributions from many people throughout the year and the weekend, but working together we pulled it off and had a great time! Whether you worked in preparation, volunteered at the show or spent hours creating the spectacular carvings that were enjoyed by carvers and visitors alike, it is important to celebrate that your volunteer contribution helped make the 32nd annual show a huge success!

Our raffles go a long way to making the show possible. Congratulations to the following prize winners in the silent auction and 50/50 draw: Chris Rebizant, Mona Bilton, Sylvain Marin, Reuben Unger, Jack Kowalchuk and Linda Dean. Other awards included the Peoples' Choice Award (sponsored by Les Gens de Bois Carving Club) to Dwayne Ricard, The Carvers' Choice award (sponsored by Adanac Carving Club) to Jean Mousseau, and the draw for the Grey Jay stained glass art piece (contributed by Chris Johnson) for those with Grey Jay entries to Brock Love. The Razertip major draw for a carving of a common redpoll was won by Susan Cowtan.

Full listings of competition results and pictures will appear on the Prairie Canada Carvers Association website as they are processed and available over the next weeks.

The dates for next year's show should be confirmed soon and will also be posted.

Thanks for all the positive feedback at the show. If you have any suggestions for future, drop us a note.
