GENERAL COMPETITION RULES

1. The Competition Rules committee reserves the right to move any entry deemed to have been registered in the wrong Division, Category or Skill level.
2. Recognizing that carvers may incorporate a number of techniques or interpretations in any one piece, Prairie Canada reserves the right to place a carving in a category that best fits the techniques displayed.
3. All entries must be the sole work of the entrant including painting/finishing. Commercially machined carvings (rough outs) and fiberglass or composite reproductions are not permitted.
4. All wildlife entries must be a species native to North America, **(See Division J rules for exceptions)**. This helps ensure that judges are familiar with the species and its characteristics, and aids in judging of realistically accurate carvings.
5. To ensure species conformity, sizes listed in Birds of North America: A Guide to Field Identification (Golden Field Guides) will be used as a standard. Salt and freshwater fish, mammals, reptiles and amphibians must conform to accepted North American standards.
6. Carvings must have never been previously entered in a Prairie Canada Carving Championship.
7. Each entry must be individually self-supporting (no multiple entries on a stand). Carvings deemed to be too heavy (over 11 kg or 24 lbs.) for workers or tables must be placed by the competitor on the floor where space permits. Prior advisement of very large carvings is requested.
8. Carvings must be constructed in such a fashion that there are no loose pieces. Unstable or loose carvings will not be accepted for entry.
9. All bird, fish, reptile and amphibian categories are life-size unless otherwise stipulated. Traditional carvings (Section 2) have no size restrictions but should be reasonably sized to permit display.
10. Where habitat is used it will be judged as complimentary to the overall presentation. Habitat material such as leaves, grass, stems, perches and reeds may be made of non-wood materials, but must be made by the entrant. Natural bases may be used.
11. Traditional carvings (Section 2) must be entirely made of wood, bone, stone or antler, including attachments, unless exemptions are noted in either the Category criteria or the General Competition Rules. Divisions G to I are to be carved "in the round".
12. Carvings that do not meet criteria for any specific category must be entered into Original Carvings - Section 4 - Division Q (Category 1 – Wildfowl, Category 2 – Traditional, or Category 3 - Miscellaneous).
13. Material other than wood may be used to construct Wildfowl feet but these must be handmade by the entrant except at the novice level where cast feet are permitted
14. Glass eyes are acceptable in Section 1 – Wildfowl unless otherwise stated.
Glass eyes are not acceptable in Section 2 – Traditional
 - Except Division H, Category 1 and 3 where glass eyes are acceptable
15. Carvers are welcome to place business-size cards with all competition carvings after judging is completed.
16. Competition pieces that are **for sale** must be identified at the time of registration and are subject to the following conditions:
 - Carvers wishing to sell competition pieces must be available at the show from 2:00 to 4:00 p.m. on Sunday.
 - All pieces must remain on display until the end of the show - i.e. 4:00 p.m. on Sunday.
 - The regular competition fee is paid at time of registration.
 - Prairie Canada will not participate in the sale but will assist in identifying sellers
 - Carvings will only be released upon authorization from the competitor.

SKILL LEVEL DEFINITIONS

Carvers who have never competed at any competition must choose a skill level at which they will compete. The competition includes 3 skill levels: **Novice, Intermediate** and **Open.**

Novice: Beginning carvers are encouraged to enter at this level.

Novice and **Intermediate** level carvers may move to the next level of competition at any time but are **required** to compete at the next level **if they have won 4 Show Awards** (1st, 2nd or 3rd Best of Show) at their current level. If an artist has won any ribbon at a higher level they must continue to compete at that level or above.

Intermediate: Carvers who have won 4 Show Awards at the Novice level (1st, 2nd or 3rd Best of Show).

Open: Carvers who have won 4 Show Awards at the Intermediate level (1st, 2nd or 3rd Best of Show).

When a carver wins 4 Best of Show ribbons (1st, 2nd, or 3rd Best of Show) in any competition he/she must advance to the next level within one year or at our next competition. Prairie Canada maintains a database to help assist with tracking this information.

Skill Levels are based on demonstrated artistic and technical abilities and therefore if a carver chooses to enter a new section of competition, they must enter at their established skill level.

AWARDS AND JUDGING PROCEDURE

Section 1 –Wildfowl - (Divisions A to F), **Section 2** –Traditional (Divisions G to L, Q) and **Section 6** - Fish (Division W, X, Y) will be judged separately using the same procedure. Separate Best of Show rosettes will be awarded for each Section. Carvings in each Section will be judged and given recognition according to the skill level (Novice, Intermediate, Open). One skill level will not be judged against another.

The competition will be judged in three stages and awarded as follows:

| | |
|---------|--|
| Stage 1 | Best of Category (BOC) – Ribbons for 1 st , 2 nd , 3 rd |
| Stage 2 | Best of Division (BOD) – Rosettes for 1 st , 2 nd , 3 rd |
| Stage 3 | Best of Show (BOS) – Larger Rosettes for 1 st , 2 nd , 3 rd |

Best of Category (BOC) -Carvings are first judged and ranked within their category, and 1st, 2nd, 3rd place ribbons are awarded.

Best of Division (BOD) - The 1st place Best of Division winner is selected from the entire 1st place BOC winners within that Division.

The 2nd place Best of Division is now selected from the remaining group of 1st BOC winners, **plus** the 2nd place carving from the same Category as the 1st place Best of Division.

The 3rd place Best of Division is now selected from the remaining group of 1st BOC winners **plus** the next ranking piece from the 2nd place Best of Division.

****see note below***

Best of Show (BOS) - The 1st place Best of Show winner is selected from all the 1st BOD winners in that Section.

The 2nd place Best of Show is now selected from the remaining group of 1st BOD winners **plus** the 2nd place carving from the same Division as the 1st place Best of Show.

The 3rd place Best of Show is now selected from the remaining group of 1st BOD winners **plus** the next ranking piece from the 2nd place Best of Show.

****Note:*** *This selection procedure in Best of Division and Best of Show allows an outstanding 2nd or 3rd place carving to be judged against a 1st place carving in another Category or Division, which makes the judging equitable.*

Section 3 – Division M

Within the Cocktail Division 1st, 2nd, 3rd place ribbons will be awarded for each of the “waterbirds”, “other birds”, “traditional carvings”, and “fish”. A Best of Show will be presented to the best of the four 1st place winners, and presented with a trophy and \$100.

Section 4 – Division N, and P

Categories in each of these Divisions will be judged separately and will be awarded 1st, 2nd, 3rd place ribbons. They are not eligible to advance any further.

Section 4 – Division O – Purchase Competitions

This is open to carvers of all skill levels but will not be judged by level. The 1st place carving in each Category becomes the property of the Award sponsors as described.

Section 5 – These Divisions will not be judged.

JUDGING CRITERIA

The judging criteria are based on **craftsmanship, accuracy, essence of the species or subject, originality** and **artistry**. Judges may request that an entry be moved to a different Category. Judges may choose not to issue an award in a Category. Judges may create an additional Category if deemed necessary.

The Judges' decisions are final and are not subject to review. However, individual carvers are invited to have a personal critique with those Judges attending on Sunday.

Judges are not allowed to compete in this competition.

Sponsors of the purchase awards are invited to participate in the judging of their respective awards.

A brochure and chart explaining judging procedures will be available at the show and on the website.
